

NHC TENANT INFORMATION UPDATE

NHC regularly updates tenant contact information such as occupants and contact details. This information will allow us to contact you in case of emergency or to discuss work orders and other issues. We will also be able to evaluate and plan appropriate programming in our communities taking into account the ages of our clients. Below is a basic information update form. Please fill out the appropriate information and return to NHC by mail, fax, drop-off, or e-mail.
