Parking Regulations / Requirements:

1. The resident agrees to comply with the parking regulations in the lease including displaying the parking sticker on the upper left hand corner of the window.
2. The vehicle must be licensed, roadworthy, and registered in the name of a legally registered resident or occupant of the residence.
3. No resident will allow another person to use their assigned parking space without NHC's permission.
4. No resident will accept payment for the use of a parking space.
5. NHC reserves the right to re-assign parking at its sole discretion.
6. NHC is not liable for any damages, loss or theft of any vehicle or contents of a vehicle.
7. The resident agrees to notify NHC immediately of any changes in the ownership of the vehicle or acquisition of a new vehicle.
8. The resident assumes responsibility for providing proof of parking privileges and to arrange for towing of any unauthorized vehicle from the spot allocated to the resident.
9. Failure to comply with all parking regulations or to pay for the parking space (where parking is an additional charge) may result in NHC removing parking privileges, and the vehicle may be ticketed and/or towed at the owner's risk and expense.
- 10. Should the resident want to cancel parking, they must inform NHC at least 5 business days prior to the end of the month. Notice must be given in writing or by email.**

I/We have read and understand the terms and conditions for parking privileges with NHC. I/We have provided a copy of the vehicle registration and insurance.
