

# **Summer Camp Registration 2020**

## **Transitions Children's Village Camp**

Transitions are a fun and action packed summer day camp program that offers children a chance to gain the “extra” tools they need to be independent and responsible. The hallmark of Transitions is that the children have ownership of the program. Under the guidance of qualified counselors, each group receives a small weekly allowance to organize and plan the activities. All of the counselors are screened, and have High Five and First Aid Training.

Due to COVID-19 there will be a few adjustments to camp this year;

Due to COVID-19 the program will be an age mix this year.

There will be NO field trips.

Each camp session will have a maximum of 8 children.

**Please register your children for the same camp week when applying.**

Limited spaces available for both OW + ODSP recipients and low to modest income families. If you do not qualify for a grant or subsidy the cost of camp is \$300.00 normally.

Due to the small size of the Dunbar Community House, we are unable to offer the camp in your neighbourhood this year. However if you are able to drive your child(ren) in, we have spots available at the Barrhaven Community House.

**Please note: Applications will be done online this year. If your application has been approved, you will be contacted.**

**Apply at the following link:**
